Modification of the competition rules

The competition promoter has approved the change proposed on 15 January 2025 by the Jury, as stated in section 3 of the agenda of the same date.

As a result of this modification, the delivery deadlines have been altered, extending their period. In this sense, the new deadline will be 60 calendar days from the day following the visit to the property by the teams selected to carry out the 2nd phase of the competition.

“ Minutes of 15 January 2025 - Agenda

3. Agreement on the change of timetable:

The members of the Jury have proposed to the competition promoter the modification of section 5 of the Competition brief in relation to section 10, concerning the deadline for the delivery of the works in the 2nd phase of the competition.

The approved change establishes that the period of 60 calendar days, initially set to begin on the day following the sending of the invitation to the 5 selected teams (as indicated in sections 5 and 10 of the Brief), will be counted from the day following the visit of the 5 selected teams to A Panda da Dá estate. The date of this visit is still to be determined and will depend largely on weather conditions.”

For any further questions or clarifications, those interested can contact the competition organising partner through the official communication channels.
